## Boies Joins Commission as Executive Assistant

MADISON – Cathy Boies will serve as Executive Assistant to recently appointed Commissioner Mark Meyer. Most recently, Boies acted as Program Manager for Customers First! where she dealt with energy issues, managed communications and legislative matters, and supervised public relations for the organization.

“I look forward to the opportunity to assist Commissioner Meyer and others at the PSC in developing balanced policies for energy and telecom questions facing the state,” says Boies.

Commissioner Meyer says, “Cathy has the practical knowledge and experience that’s essential in understanding the types of issues that come before the Commission. I look forward to working with her and know that she will be an asset to the agency.”

Prior to her experience with Customers First!, Boies served as a management consultant in Boston. A Twin Cities native, Boies obtained her B.A. from Yale and a graduate degree in Education from Harvard University.

Boies will begin her new position immediately.
